FOUR WORDS TRAILER VOICE SCRIPT

Scene: 1

A PHONE RINGS ONCE

RICK

Hello...

FAITH

Daddy, I'm so sorry!

RICK

Baby where are you?

FAITH

I don't know where I am daddy, I just know it's in California somewhere. Please find me daddy before they do. They hurt me real bad. I just want to come home.

RICK

You'll be all right, I promise I'll find you.

FAITH

They're looking for me daddy...they're gonna find me. There's a church daddy, and a street sign.

RICK

You hide as best you can, I'm coming to get you. Do you want me to bring Uncle O?

FAITH

Please bring him daddy. Please bring Uncle O and get me out of here.

RICK

We're on the way.
